

Photographer & Digital Media Overseer

Dates of Employment: June 10th-July 31st

Job Description:

Summers at Camp go by in a flash! What stays forever is the memories we create. The Photographer & Digital Media Overseer is critical in preserving these memories and sharing them with Michindoh's audience of parents and alumni. Michindoh's Photographer & Digital Media Overseer's main responsibility is to capture memories, documenting all camp activities through pictures and videos. In addition, they will have access to Michindoh's social media platforms so that they can create content and post pictures, videos, and information that camper parents can engage with. Near the end of each camp week, Michindoh's Photographer & Digital Media Overseer will be responsible to create a recap video that highlights some of the week's best moments. These videos will be turned into a camp DVD at the end of Camp.

Duties:

- Take photos and videos of all camp programming and activities
- Work with Waldo (Michindoh's photo distributor) to prioritize photos of campers whose parents pay for service
- Create impactful social media content for Michindoh's social media platforms
- Use video editing software to create a camp summary video for the Friday morning of camp
- Support other areas of Michindoh's Ministry (Guest Services, Accommodations, Dining Hall and Operations)
- Tasks assigned by the Program Administrator or Sr. Program Staff
- Treat all guests & campers with dignity and respect focused on providing a positive Christ-centered atmosphere

Qualifications:

- 1) A Christian who adheres to Michindoh's values and beliefs
- 2) Must attend Program training unless permission is received by the Program Administrator (June 10th-17th)
- 3) Possess the strength and endurance required to work in an active and busy environment
- 4) A team player who serves and cares for their fellow staff
- 5) Self-motivated and able to work independently
- 6) Experience & Education in photography & digital media is an asset but not required.
